

# EVOLUTION DESIGN

SMART SOLUTIONS FOR SMART CLIENTS

## STEFAN CAMENZIND PARTNER, EXECUTIVE DIRECTOR

Stefan Camenzind is partner and executive director of Evolution Design, internationally recognised Swiss architecture and design studio with a particular expertise in workplace design.

Evolution Design has created unique offices for Google, Unilever, PwC, UPC, and Flipkart, delivering optimal work environments, from research to design and implementation. As an architect and workplace innovator, Stefan Camenzind accompanies his customers with the vision of creating smart and innovative workspaces of the future.

Founded in 2004, the strategic direction of Evolution Design is set by founder Stefan Camenzind and his partners Tanya Ruegg and Marco Noch. Together, they are the driving force behind the continuous evolution of the practice.
