

EVOLUTION DESIGN

SMART SOLUTIONS FOR SMART CLIENTS

TANYA RUEGG PARTNER, CREATIVE DIRECTOR

Tanya Ruegg is creative director and company's inventive force, leading a wide range of projects including office, residential, cultural and commercial buildings. She holds a diploma from the Royal College of Art in London.

Tanya has worked on a number of projects that have pioneered new design solutions for workplace interiors, including Google offices in Zurich, Tel Aviv and Dublin, a new 200.000 square meter e-commerce campus in India, and most recently the future workplace concept for Sberbank, the largest bank in Russia and Eastern Europe.

«Emotional comfort is more than about feeling safe and protected. It is about living, working and moving in an environment, which suits our personalities, matches our senses, energizes our bodies and stimulates us to achieve our best performance.»
